

EDUCATION

Seoul International School

2023.08-2027.06

- ☞ GPA: 99.31 / 100 <[Transcript](#)>
- ☞ SAT: 1570 (RW: 770 / M: 800) <[Score Report](#)>

Wharton Global Youth - Leadership in the Business World

2026.06-2026.07

- ☞ Participated in lectures, business simulations, boardroom debates, and a capstone case competition.
- ☞ Presented a strategic analysis of the “Back to Starbucks” initiative and proposed strategies.

Yale Young Global Scholars - Politics of Law & Economics (PLE) Session

2025.07

- ☞ Completed interdisciplinary coursework through faculty lectures, discussion seminars, and courses.
- ☞ Presented a capstone project on the socioeconomic and environmental impacts of coffee harvesting.

FOR SOCIAL SUSTAINABILITY

DOM Coffee, Founder

2024.01-Present

- ☞ Self-researched brewing techniques and bean origins; brewed 250+ cups and logged results on a personal blog over 300+ hours of independent study.
- ☞ Developed my own drip coffee blend and coffee accessories in collaboration with CaffeMuseo.
- ☞ Explored Seoul and NYC's coffee scene by visiting and reviewing 50+ cafes, documenting ratings, mouthfeel, and aroma notes via Instagram (@thumbsup_coffee).
- ☞ Founded a coffee-cushion brand via crowdfunding on Wadiz, generating 100+ sales and \$3,000+ through manufacturer negotiations and original product design.

Independent Cafe Advocacy, Coffee Culture Preservation Activist

2024.01-Present

- ☞ Recognized a pattern of independent cafe closures driven by Korean-style gentrification and corporate chain expansion, prompting a shift toward industry advocacy.
- ☞ Raised funds (\$2,000+) for the Korea Coffee Association, collaborating with Protocol Coffee and Cafe Museo, and interviewing 10+ independent cafe owners to understand their challenges firsthand.
- ☞ Developed a free, AI-powered consultation app for independent coffee shop owners, offering data-driven guidance on marketing strategy and operational improvements. <LINK>
- ☞ Documentary on Cafe Advocacy: <[Video Link](#)>

Coffee Industry Research, Research Intern with Prof. Daniel Keum

2026.06-2026.09

- ☞ Conducted independent economics research with Professor Daniel Keum, Columbia University on the relationship between independent cafes, franchise expansion, and commercial gentrification in Seoul.
- ☞ Investigated causal questions, such as whether cafes contribute to neighborhood gentrification, by combining fieldwork insights with academic economic analysis.

FOR ENVIRONMENTAL SUSTAINABILITY

Spread:Seed [[Website](#)], Founder & President

2023.02-Present

- ☞ Led 50+ members addressing food security across the production cycle (production, manufacturing, distribution, consumption, and disposal). Recognized and Awarded by Gangnam District.
- ☞ Led sustainable agriculture research through farm visits and launched a food waste reduction campaign to address inefficiencies across the manufacturing and disposal stages.
- ☞ Ran food bank donation drives, purchasing and donating \$2,000+ worth of food to support community food sharing. Directed \$5,000+ in cumulative donations toward environmental organizations through online and offline fundraising events.

Suwon University Research Program, Researcher

2025.06-2025.11

- ☞ Research Title: “*Optimization of Film Flexibility and Structural Integrity in Marine-Derived Biopolymers for Single-Use Cup Fabrication*” <[Research Paper Link](#)>
- ☞ Developed biodegradable single-use cups using seaweed-based biopolymers.
- ☞ Identified an optimized kelp–gelatin blend as a durable, sustainable alternative to conventional plastics.
- ☞ Korea Science & Engineering Fair (KSEF) - Silver Medal & International Youth Researchers’ Conference (IYRC) Publication.

FOR SCHOOL SUSTAINABILITY

SIS High School Student Council, School President

2023.08-Present

- ☞ All Student Body President (11th ~), Treasurer (10th) & Representative (9th).
- ☞ Progressed through three elected leadership roles over four years, culminating in Student Council President, overseeing a full council and 20+ annual school-wide events.
- ☞ Revitalized a stagnant student-run snack store by launching new items, raising 10M+ KRW.
- ☞ **Core Goal as President: Improving School Culture and Sustainability**
 - Tackled a recurring gap where senior Club Presidents disengaged before graduation, causing club projects to collapse.
 - Led 10+ discussions with school administration on structural fixes for leadership continuity.
 - Co-led development of TIGERCLUBS.ORG, a club information website with 300+ active users.

SIS Business Club, President

2023.08-Present

- ☞ Won 1st place (2023) and 3rd place (2024,2025) at the Korea National Business Competition.
- ☞ Led 50+ members in market research and business model development; served as Captain, securing 3rd place (Fall 2024 & 2025).
- ☞ Conducted market research and developed business plans for competitive case challenges.

Mu Alpha Theta, Vice President

2023.08-Present

- ☞ Secured 1st place in the AISA Math Competition as a key member, placing 6th individually among 6 schools and 40+ competitors.
- ☞ 1st Place SISMC; SKISMC Winner (2×); additional distinctions at Purple Comet (2×), CEMC (2×), COMC, HiMCM; AMC Distinction Award (top 5%).
